This Alpha Code will apply only to the company name shown above through June 30, 2024. Alpha Codes ending with the letter "U" have been reserved for the identification of freight containers. If your Alpha Code ends with the letter "U", it should be used only for this purpose. A non-U ending Alpha Code should be obtained to satisfy other requirements such as company identification for Customs, Electronic Data Interchange, freight payments, etc.

If you participate in the Customs & Border Protection (CBP) ACE program and you have an issue with using your SCAC with ACE, please contact CBP at the following email address: AMSSCAC@cbp.dhs.gov. All SCACs are automatically uploaded to ACE within 24 hours. To participate in the Automated Export System (AES) program, please email AMSSCAC@cbp.dhs.gov and askaes@census.gov a request, along with a copy of the NMFTA SCAC letter, to enable your SCAC for AES. Additional information on CBP's automated programs can be found at: <https://www.cbp.gov/trade/automated/getting-started>.

NOTICE: Renewal of the above listed SCAC is unrelated to participation in the National Motor Freight Classification (NMFC). Further, it does not confer membership in the National Motor Freight Traffic Association, Inc. nor allow use of the NMFC in connection with freight rates. For participation and membership information, please call (703) 838-1810.
